ANNUAL HANCOCK CO. BASKETBALL TOURNAMENT IN BAY HIGH GYM

Stanislaus and S. J. A. Emerge as Victors in Finals

Once more Bay High's gym was the scene of the Annual Hancock County Basketball Tournament. Sellers, Dedeaux, Kiln, St. Stanislaus, St. Joseph's Academy and Bay High competed in this exciting contest held on February 21, 22, and 23.

In the opening game on Thursday night between the Kiln and Bay High girls, Kiln did what they could to win but were helpless against the stronger Bay Hi team. The half found the score at 12 to 1, with both teams pushing on to a total of 27 to 8.

The second game was a thrilling contest between Dedeaux and Kiln boys, the final score was 27-25 in favor of Dedeaux.

In the last game Thursday night, Bay High Cagers fell before Sellers High 23-12. The experienced Sellers offensive proved too great for the Blue-and-Gold. Catching the Tigers off-guard, the visitors were quick to take the lead in the first quarter. Spurred by Ladner, Sellers held Bay Hi in check. In the fourth quarter Bay Hi gamely put on a spark of offensive but were unable to break through Sellers' tight defense.

Games were resumed on Friday night at 7 o'clock, when S. J. A. easily defeated Dedeaux girls 23-10. Following this game at 8 o'clock Sellers girls encountered Bay High girls in a fast and furious struggle. The game was very close all the way. Much excitement was aroused in the crowd and the game ended in victory for the Tigerettes. Score 29-23.

At 9 o'clock the Sellers boys were beaten by Dedeaux, 23-15. The Dedeaux quintet took an early lead and held it throughout the game, never giving the Sellers team a chance to present a substantial threat.

The night of the finals found a huge gathering on hand to view the battles between S. J. A. and Bay Hi girls, and Dedeaux and Stanislaus boys for the silver trophies. Getting an edge of 7 to 1 in the first tense moments of the girls' game, S. J. A. kept the lead over last year's county champions, who fought with everything they had. As the crowds roared back and forth it seemed for a second as if Bay High might catch up with the faster Gold Jays but the final whistle blew when the score was 19 to 15 in favor of S. J. A.

The Rockchaws, last year's regional champions, showed plenty of class and ability in spite of the fact that they have only two first-string veterans from last year, by defeating a strong Dedeaux quintet, 29 to 22. Dedeaux presented a very strong offensive but finally succumbed to an equally tall but more experienced Stanislaus team.

Although St. Stanislaus and S. J. A. took first places in the county tournament, their runners-up, Bay High girls and Dedeaux boys will have another chance in the forthcoming regional tournament to be held at Lyman two weeks later.

Attention! Altar Society Members

At the Feb. meeting of the Altar Society held at St. Joseph Academy on last Wednesday, it was decided to hold an "Apron Sale" at a later date. Every member present was requested to make an apron, or several, for this sale and also to contact other members and friends and request donations of aprons, or cash, in order that the sale will be large and net good financial results.

At this meeting, Sister Antoinette displayed a box containing aprons in different materials and styles, all very attractive, and several pot lifters and tea towels donated by Mrs. Marietta Koerner and all made by Mrs. Koerner and her daughter, Iris. An apron sale is always a welcome project and especially at this time of shortages of materials, and despite these shortages, a great deal of enthusiasm and interest was displayed, the members present deciding to make the sale a huge success. Hence, all members are urgently requested to donate an apron which can be given to Mrs. Chas. Zerr at the A. & G. Theatre or left at the Rectory.

A candle will be lit as each phase of missions to the multitudes is discussed in the Pageant "Take Ye the Light." On Thursday afternoon at 3:30 the program will be led by Mrs. T. Benton Sellers.

S. S. C. and S. J. A. Win County Basketball Tourney

By winning from Dedeaux in the finals Saturday night, by a score of 29-22, the St. Stanislaus Rockchaws were crowned as Hancock County Champs and are expected to carry the local colors through the Regional Tournament in Lyman on March 8 and 9.

During the first quarter the Rocks pulled away with a commanding lead of 8-3 and at half time were leading by 7 points with an unexpected surge the Dedeaux "Five" tied the score as the third period ended 16-16. With 3 minutes left to play Stanislaus was leading 21 to 20, but Gulotta and Lachaussee were not to be denied and 4 baskets were rung up. High scorer for Stanislaus was Lachaussee with 7 points followed by Wilson, Stewart and Gulotta with 6 points each.

S. J. A. with flawless playing by Thais Gardebled defeated Bay High girls 19-15. Game was fought bitterly from start to finish and spills and bumped heads were numerous. Captain Thais Gardebled, of S. J. A. was high scorer with 12 points. After the games, the runners-up were presented with individual silver basketballs and the winners received gold balls. Then Captains Gulotta and Gardebled of S. S. C. and S. J. A. respectively, were presented with team trophies.

Minneapolis Millers Start Training Season at Bay St. Louis, March 12

Baseball fans of Bay St. Louis, Pass Christian and other sports-minded Gulf Coast cities and towns will see a baseball club noted for two things when the Minneapolis Millers open their training at the Bay around March 12.

One—the owner of the club, Michael J. (Mike) Kelley, is the patriarch of the minor leagues. He is starting his 52nd year in baseball and, now 70, is very active and is head of the board of strategy, with New Orleans' Zeke Bonura as pilot and noisy Ray Kolp as assistant and pitching coach.

Kelley has been in baseball longer than any other magnate in organized baseball with the exception of Connie Mack. When he went into the game, out of his home in Massachusetts, his father told him "Well, all right, Michael give it a fling. But I wish you'd get into something that's going to be PERMANENT." That is Mike's favorite anecdote and it's true, 52 years later.

A first baseman in his prime, he played for Louisville on the same club that had the immortal Hans Wagner at shortstop and both went to Fred Clarke's famous old Pittsburgh Pirates at the same time. In 1902 Kelley became manager of St. Paul team in the charter member year of the American Association and he has been in the AA ever since.

The Millers are also noted for the fact that they are the only team in the entire domain of the minor leagues never to finish in last place. Over the past 20 years, their won and lost record is better than any Association entry and they have more first division zotches to their record than almost any other franchise. They have finished first seven times, being runner-up in this respect to their deadly Twin Cities rival, St. Paul.

You realize the standing of this record when you know that the Association has been the major league springboard for Ted Williams, Spud Chandler, Phil Rizzuto, Mort and Walter Cooper, Enos Slaughter, Terry Moore, Luke Sewell, Bill Terry, Hack Wilson, Joe McCarthy, Bill McKechnie, Billy Southworth, Leo Durocher, Larry MacPhail, Lefty Gomez, Billy Herman, Ben Chapman, Al Simmons and a host of other notables.

No one around the Gulf needs to be told anything about Zeke Bonura. Zeke has said he'll try to be a part-time playing manager, but not at first base, since that is guarded by young Joe Pafata, upon whom the Giants and Phils already are casting covetous eyes.

Of stellar members of the Miller cast, more anon. Bay fans will hear plenty about and from Ray Kolp, pitching coach. This fellow has been the champion "barber" and "jockey" of the majors and minors, with his strident voice on the coaching lines. Back of it all is a keen baseball brain. Kolp was a star pitcher for many years both with the Cincinnati Reds and St. Louis Browns, and, before the war, was an assistant to Donnie Bush and Tom Sheehan, former Miller managers. For the past two seasons he has piloted Williamsport, Pa., in the Eastern league, but resigned after the last campaign to go back to his first love, coaching and developing youngsters and young pitchers.—Halsey Hall, Minneapolis Star-Journal and Tribune.

Thomas M. Carver, 36, Dies At New Orleans Hospital

The body was brought here for burial and the funeral was held at 3 p. m. on Thursday, February 21, from the Fahy Funeral Home with religious services at Our Lady of the Gulf Catholic Church and at Cedar Rest cemetery, the Rev. Father Martin officiating.

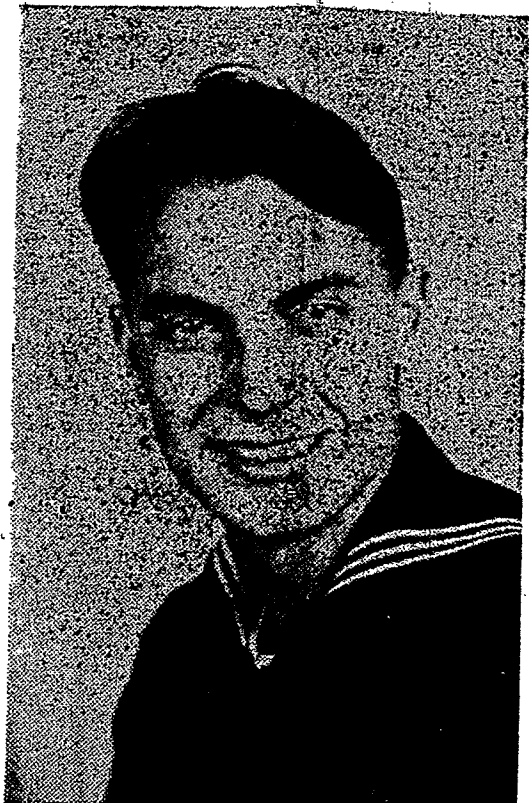

Mr. Carver was a native of Bay St. Louis and was the son of the late Mr. and Mrs. Alcee Carver of this city. He is survived by four sisters, Mrs. Amelia Dedeaux, Mrs. Lydia Necaise, Mrs. Marie Necaise and Miss Mildred Carver; three brothers Oswald, Victor and Harry Carver and several nieces and nephews and other relatives.

STANISLAUS WINS GOLDEN GLOVES TOURNAMENT

The Golden Gloves Boxing Tournament held in Biloxi, Mississippi on the nights of February 15 and 18, ended in a decisive victory for the Stanislaus boxers. The schools competing in this tourney were Bay High, G. C. M. A., Belzoni, Pass Christian, Notre Dame, Boloxi and St. Stanislaus.

Six of the Stanislaus boys ended up in the final round four of which came out on top.

Dickie Curran was crowned champ of the 118 lb. class. He met two opponents and accounted for each with a KO in order to win the title. Carl Johnson went to the finals in the 126 lb. class but lost on a decision to Milton Parker of Biloxi. Martin Koch (135 lb. State Champ) had to dispose of three opponents before gaining the title. He terminated his first encounter by a knockout. His next two opponents were Joe Capdepon and Henry Marquar of Bay High. Koch defeated them easily winning over each by a decision.

Graham Dacovich proved to be the crowd pleaser with his rugged style of boxing. His first match was a bloody affair which lasted three rounds. Graham won a decision over Peresich of Notre Dame in that fight. In the final bout, Graham scored a KO over Frank Ricossa of G. C. M. A. At the beginning, it looked as if another terrific battle were underway but it only lasted to the beginning of the second round when Dacovich tucked Ricossa away with a terrific right uppercut.

In the 175 lb. class, Stanislaus had everything under control. The only two boys who could meet that weight was Walter Cleveland and William Hodgson both from Stanislaus. Hodgson decided Cleveland after three rounds of classy boxing. Besides the above mentioned boys, the following boxers were also entered in the tournament: Alex Achee, 112 lb. class; Richard Hunter, 126 lb. class and Robert Johnson, 135 lb. class.

Alec Achee lost his first fight in a decision to Jack Nelson of Notre Dame. Richard Hunter won his first fight on a decision but dropped the second to Milton Parker of Biloxi. Robert Johnson lost his fight to Henry Marquar on a decision. Although Bob displayed classy boxing in the first two rounds, he was unable to cope with his opponent's aggressiveness in the third round.

RED CROSS ARTICLES OF FAITH

WE Believe that might can never be the measure of the right nor can the end be used to justify the means.

We Believe that strength was given us to succor and to shield the weak; to lighten the burden of the sick at heart; to teach all who wish to learn the simple skills with which to aid themselves and others.

We Believe that all children of this earth are brothers and we shall not recognize any barriers of race, color, class or creed to set them apart, one from the other.

We Believe that equal opportunity must be afforded for each to share in the fruitfulness of this world and each, according to his ability, to share in its burdens.

We Believe that kindness and mercy and understanding will grow must grow—that this planet may be a place for children and their children's children to live in peace and security.

We Believe that each must have a chance to contribute what he wills to this new world, this fitter measure to his dream.

We Believe that as each one of us has a share in the America we know and hope to shape, so each of us now must strive to save those simple human values which give dignity to man and to life, its meaning.

For these beliefs and to those ends we pledge our time, our efforts, and our worldly goods.—The Red Cross Courier.

HANDLE WITH CARE

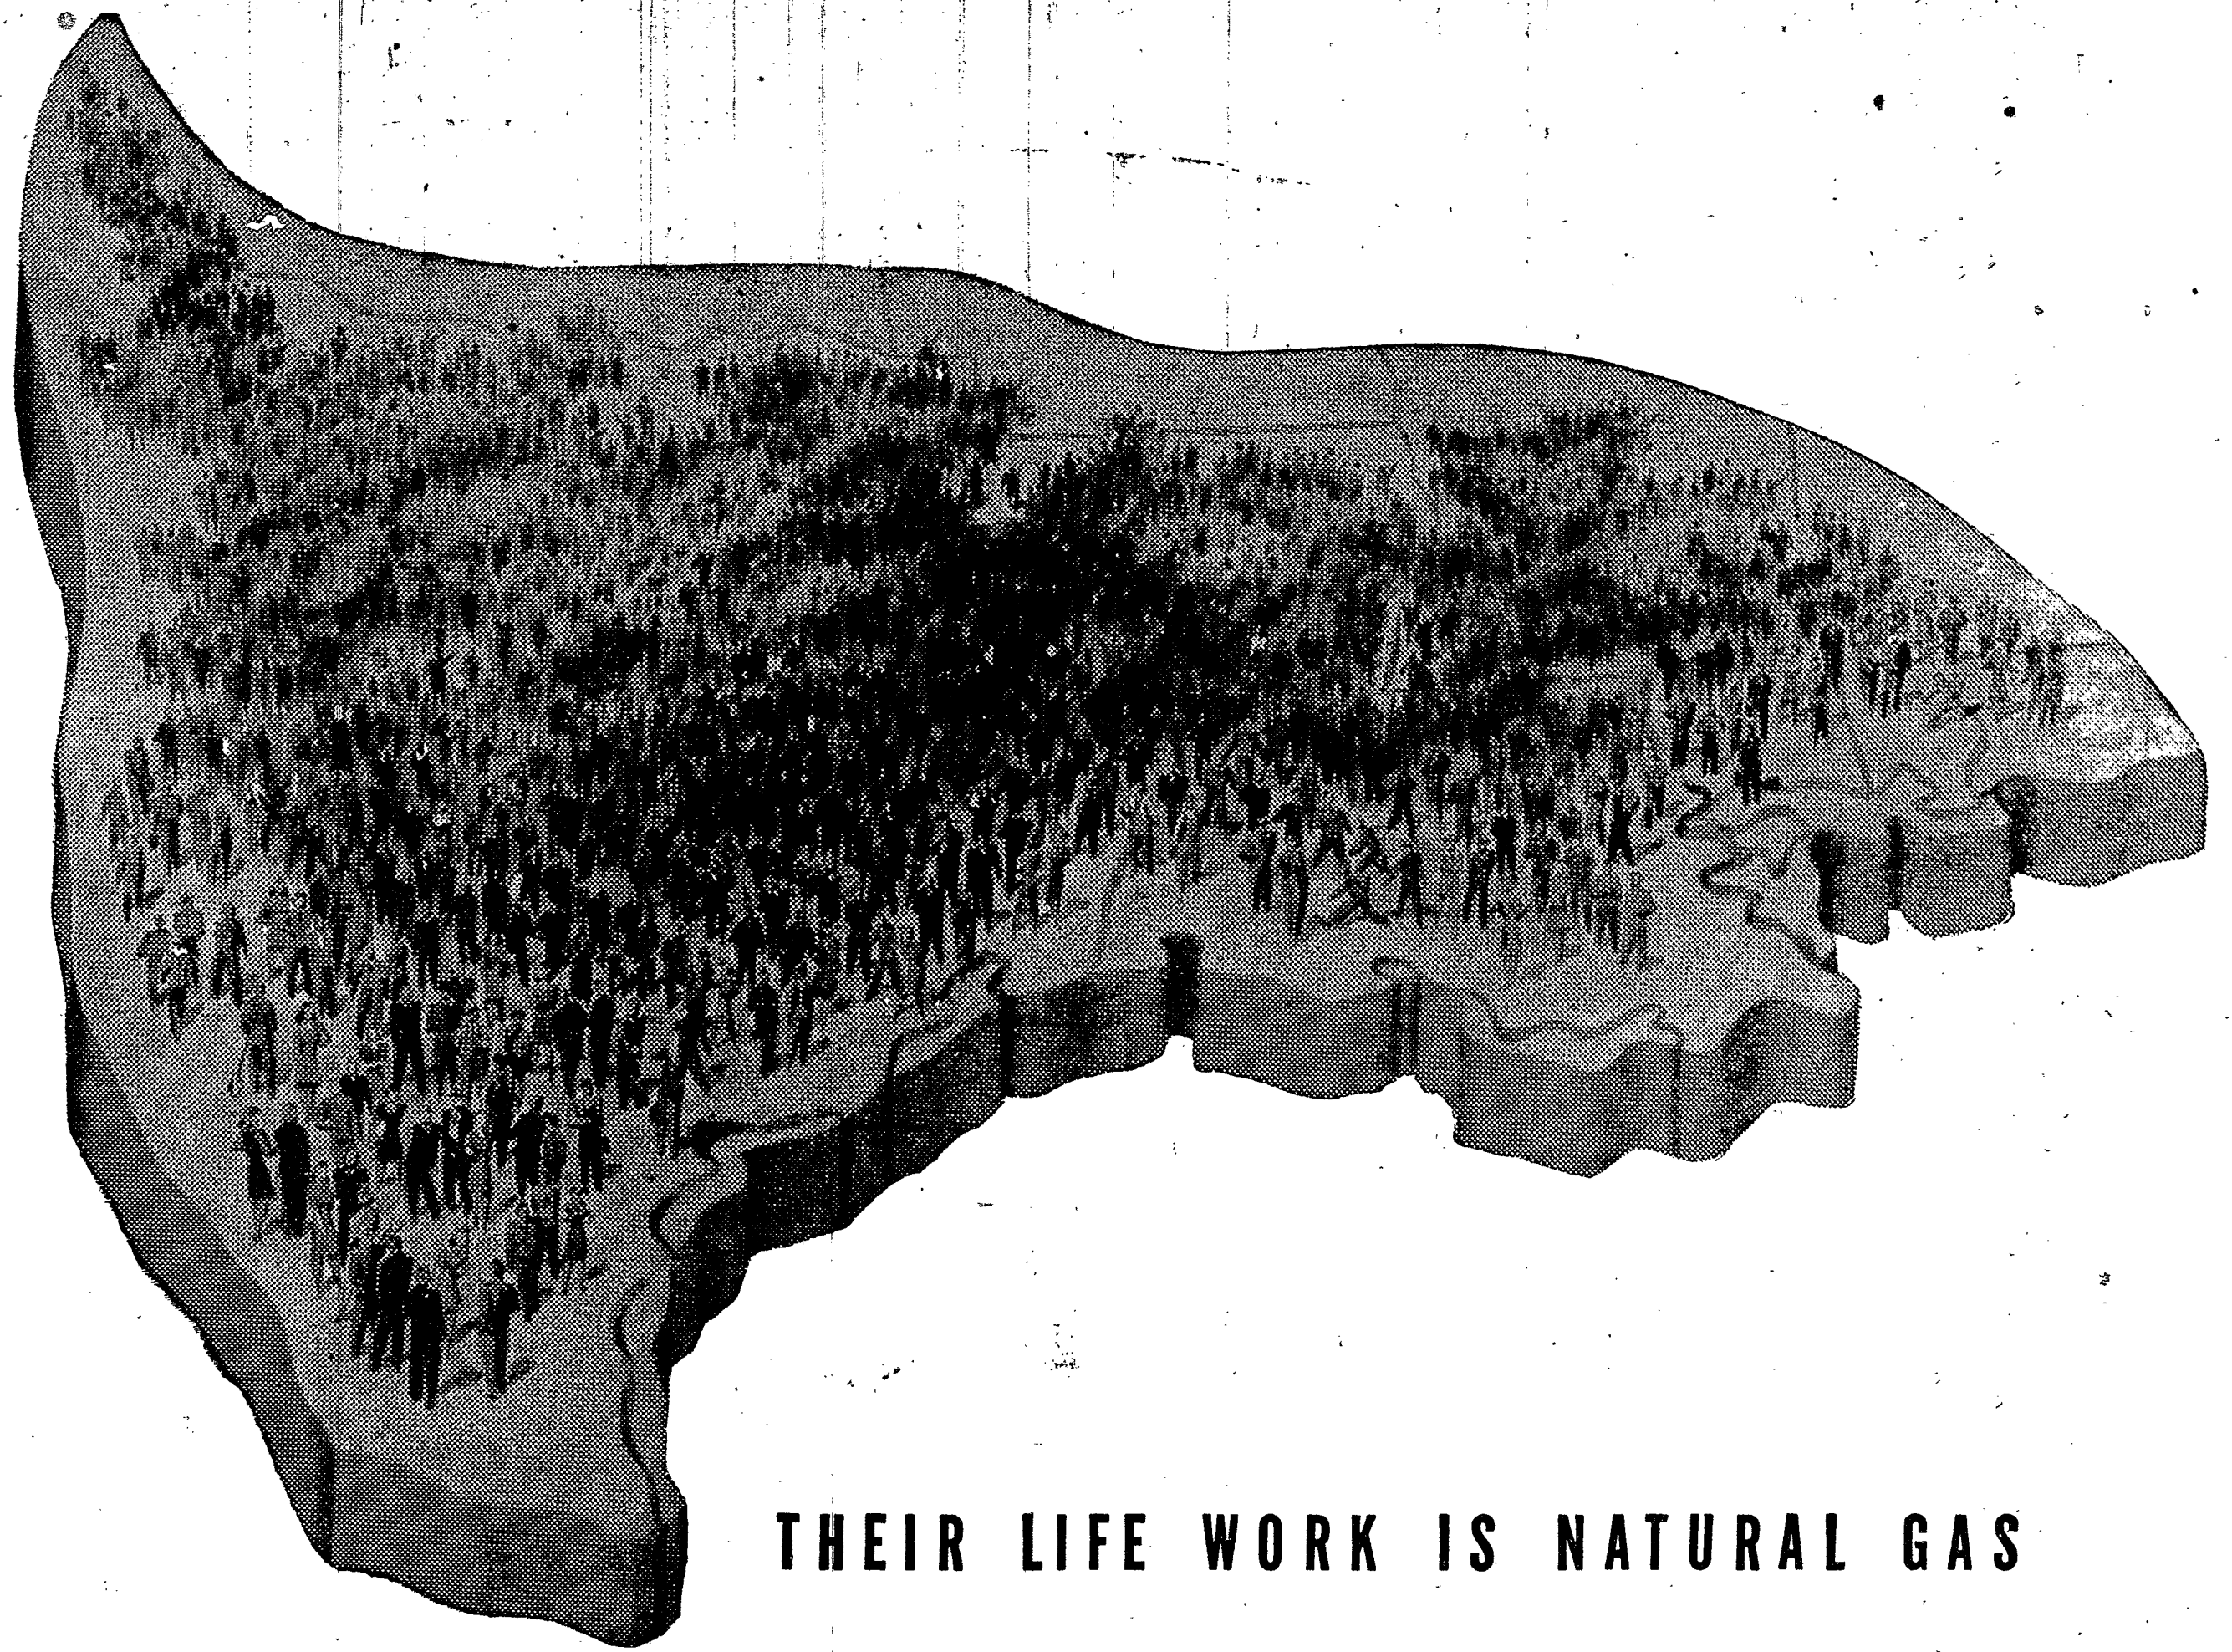

We're working mighty hard these days on a big
job we've got to deliver—our \$300,000,000 expan-
sion program. It's an all embracing program that
will provide better telephone service and tele-
phones for all who want them.

The job ahead of us is one that must be handled
with care. The vast sum of money involved places
a heavy responsibility on both management and
employees. It will be spent wisely and cautiously
and with the same care that has always charac-
terized your Telephone Company's operations.

There is also the responsibility of maintaining
adequate earnings so that the funds needed to build
more telephone facilities can be secured. The
money will have to come, as it has in the past, from
thrifty people putting their hard earned cash in
the Telephone Company. But unless they have
confidence in the safety of their investment and
feel assured of a reasonable return on that invest-
ment, new funds for future telephone expansion
will not be forthcoming.

So it is easy to see that telephone earnings have
a direct bearing on the future of telephone service.

Keyed to the tempo of smalltown
living, Hilda Fenchurch (played by
Faye Emerson) divides her life be-

the entrance of Ronnie Marsh (Zach-

ORTTE THEATRE SUNDAY - MONDAY "VACATION FROM MARRIAGE"

The post-war adjustment of a
young married couple who find their
personalities and their former attrac-
tion for each other completely altered
after service in the British Navy
and the Wrens forms a touching and
absorbing theme in "Vacation From
Marriage," showing Sunday and Mon-
day at Ortte Theatre.

Robert Donat and Deborah Kerr
are the principals in this M-G-M
London film, Donat playing Wilson,
the dull clerk placidly married to
Cathie (Miss Kerr), until the war
brings about a drastic change in
their humdrum lives. The once an-
emic clerk finds himself a new man
under the rigors of Navy life, with
the colorless Cathie also blossom-
ing out under her training as a Wren.
The separated couple drift further
and further apart in their thoughts
of each other and, when Cathie be-
comes the center of attention of a
Naval architect and Wilson succumbs
to the attractions of a nurse, they
resolve upon a divorce. It is not
until they meet again in London
after a three-year separation that
they realize the potentialities of
their fresh personalities and fall in
love all over again.

The casting and the able direction
of Alexander Korda, who also pro-

duced "Vacation From Marriage,"
raises this picture to a high level of
artistry. Donat is entirely persua-
sive and convincing as the clerk
who changes from a meek, unimag-
inative man to the capable and re-
spected seaman, Miss Kerr is equal-
ly striking as the drab housewife who
emerges into an attractive, sparkling
girl with modern ideas, and excellent
support is offered by Glynis Johns
as a worldly-wise Wren, Ann Todd
as the sympathetic nurse and Ro-
land Culver as the Naval architect.

Considerable interest is added to
the story in its convincing back-
grounds of London through the war
years and the brilliantly photograp-
hed sequences showing procedure at
the Naval and WRNS training estab-
lishments. "Vacation From Mar-
riage" is recommended as first-class
entertainment.

GARDEN CLUB

The regular monthly meeting of the Bay-Waveland Garden Club was held at the home of Mrs. Leo W. Seal on North Beach, Thursday, February 14th. Co-Hostesses with Mrs. Seal for the afternoon were Mrs. J. T. Prowell, Mrs. McCoy, Mrs. Sam Whitfield, Mrs. Florence Singreen.

There was a large attendance of members and the program was a most interesting talk by Miss Patricia Thompson, Red Cross Field worker. The Red Cross motif was carried out in the dining room where the tea table was beautifully appointed with a spectacular Red Cross made from Professor Sargent Camellias, and tall red candles rising from nests of camellias.

Due to the illness of the president Mrs. Jos. R. Scharff, the meeting was conducted by Mrs. Eugene Moggabab.

A yearbook of which the club is very proud was given each member. This book was compiled by Mrs. F. R. Curran, program chairman. It is the first time in the history of the club that such a book has been edited, and proves another stride forward by this energetic body of women.

There were many lovely and artistic arrangements of flowers on display.

Those attending the meeting were: Mrs. John Bell, Mrs. Frank Clark, Mrs. Max Kohler, Mrs. Ed Ortle, Mrs. Anna Nachman, Mrs. A. O. Dresler, Mrs. G. H. Williams, Mrs. J. A. Tognotti, Mrs. Chas. N. CELEBRATES FIRST BIRTHDAY

On Sunday, February 17th, little Ronnie Folse, son of S/Sgt. and Mrs. Joseph Folse, celebrated his first birthday with a delightful Birthday Party. Decorations for the occasion followed the Valentine color scheme and delicious ice cream and cake made it a real party to those tiny tots.

Ronnie, without realizing it, is a very lucky young fellow because his dad who is currently stationed at Cherryville, N. C., was able to come home for the big day. And Ronnie also had as special guests, his maternal grandparents, Mr. and Mrs. Eugene Davis, his great grandfather, Mr. T. V. Holleman, his great great aunt, Mrs. Bell Joyner, his uncle and aunt Mr. and Mrs. W. Matthews and little cousin, Billy Boy of New Orleans and Mrs. H. Wilson Moore.

Those attending were Charles and Edith Traub, Ruby Lynn Murray, Gene Necaise, Steve Saucier, Caro Ann Higgins, Tony Benigno, Billy Boy Matthews, Gary Blaize, Gary, Charles, Mikie and Eddy Byrd, Jan Perez, Sandra, Jerry and Sheldon Suzanneau, Ronzie Russell, Beth Murtagh, Brenda and Lynette Kergoson, Sylvia, Sykora, Sharon Ruffin, Bobby Benigno, Laurie Lynn Kiefer, Kissy Thorngerson, Irene, Toddy and little Rosie Thomas, Patricia, Albert, Julie and Ann Blanchard.

As there little folks had to be escorted to the party and since most of the parents had been friends since their own childhood, a sort of grown up get-together was also enjoyed by all who attended.

Dried Blood Plasma For Civilian Use

The American Red Cross has an approximate two year supply on hand and is distributing the plasma to hospitals and doctors thru the health dept. Hancock County will receive her share, and it will be distributed through the local health unit under direction of Dr. C. M. Shipp, County Health Officer.

Don't Blame Your Dealer if You Can't Get G-E Appliances and Radios

It's not the dealer's fault. We don't think it's our fault.

Maybe it's nobody's fault. But here's what happened:

Here's how fast G. E. and its affiliated companies were making and shipping things for you:

	OCT.	NOV.	DEC.	On hand Dec. 31, 1945
IRONS	60,440	67,564	85,968	2½ days' production
CLOCKS	181,998	177,681	256,038	2½ days' production
REFRIGERATORS	12,755	17,577	28,432	4 days' production
WASHERS	3,068	4,672	6,874	4½ days' production
RANGES	3,056	8,973	8,996	3 days' production
RADIOS	85	5,129	9,401	1½ days' production
TOASTERS		312	2,386	2698 (No shipments were made because production was inadequate to provide samples for dealers).

Out of the 2,485, 138 appliances manufactured in 1944 and 1945, General Electric shipped 98%.

AFTER the war ended, we weren't able to get back into production of some appliances as soon as we had hoped, and production rates weren't as high as we had hoped. A number of unforeseen things like material shortages made the job harder.

But there were only 120 days between V-J Day and December 31, 1945, and in those 120 days we partly reconverted our factories from war to peacetime goods and got production started. During the year we turned out 2,313,791 electrical appliances.

We shipped these appliances out practically as fast as made—so fast that at the end of the year more than

98 per cent of those we'd built since reconversion began were out of our factories. Most of them were in the hands of users.

Then, on January 15, 1946, our plants were closed by the strike. Not a single electric home appliance has been built or assembled there since. And, because our warehouses are practically empty, your dealer won't be able to obtain any more until we can get back to making them.

We want to get back to producing as fast as possible. The manufacturing organization is set up; the machines are ready, waiting to be set in motion. These factors will help us to do an

even faster job than we did in the months before the strike.

But we can't pick up production quite where we left off. Production lines are too complicated for that. A great many things have been dislocated by the strike.

When the strike is over, and the refrigerators and toasters and radios you've been waiting for begin to come off the lines again, we'll get them into hands of our dealers just as fast as we can. They'll be competitive in price. They'll be General Electric quality.

So, please don't be impatient with your dealer—or with us.

WASHINGTON and FRANKLIN

During the month of February we observed the birthdays of two distinguished Americans, one a soldier and the Father of his Country; the other, a printer, diplomat, statesman and scientist. Both were exponents of work and thrift as essential to one's personal prosperity and the national economy.

Benjamin Franklin admonished, "Plough deep while sluggards sleep." "Remember," he said, "that time is money," and "God helps them that help themselves." Of thrift, he said, "A man may, if he knows not how to save as he gets, keep his nose to the grindstone." And "It is hard for an empty sack to stand upright." In his First Inaugural Address, George Washington reminded the Congress that he had served his country as soldier without pecuniary compensation and as president preferred no salary. He asked that appropriations to the executive department "be limited to such actual expenditures as the public good may be thought to require."

In his Farewell Address he warned, "As a very important source of strength and security, cherish public credit. One method of preserving it is, to use it as sparingly as possible—avoiding occasions of expense by cultivating peace, remembering also that timely disbursements to prepare for damage frequently prevent greater disbursements to repel it—

avoiding likewise the accumulation of debt, not only by shunning occasions of expense, but by vigorous exertions in time of Peace to discharge the debts which unavoidable wars may have occasioned, not ungenerously throwing upon posterity the burthen which we ourselves ought to bear."

Through the leadership of Washington and Franklin, and other pioneers of American independence and individual liberty, work and thrift became national virtues and a small but righteous and industrious Republic became the world's richest and most influential power.

Under the American system of free enterprise the people of any community can prosper through their earnings and savings. Production and economy are essential to progress and prosperity.

The millions on deposit with this bank are an accumulation of the labors and sacrifices of many lives. If money could talk these deposits could testify in unmistakable terms that industry and frugality are productive virtues and have contributed to the success of hundreds of individuals in this enterprising community.

Baby's Savings
account should be
opened the day
of birth.

The joyous news of baby's arrival, the well-being of the mother, the pleasure of father, are all important on the day of baby's birth. It only requires a few minutes to open a savings account the day your baby is born. In later years your son or daughter will proudly boast to their friends about your thoughtfulness. This is one thing you can do for your baby that everyone will heartily approve of. Hundreds of baby accounts have been opened at this bank and many of them on the day the baby was born. This is a good bank for babies.
